Our Aim

Humber College Retirees' Association is an organization whose function is to provide members with pertinent information, social activities and responses to their concerns.

The role will include liaison with Humber College as well as other colleges, the Ministry of Advanced Education and Skills Development and the Ontario College Retirees Association.

Our Association is organized for the benefit of its members and is funded by member fees. We endeavour to assist Humber College in its aims and objectives, especially as these relate to the support of students.

On joining, you receive all the benefits of membership including access to the password protected members' website. Also, your name is added immediately to our mailing and email lists, so that you are kept informed of activities in the association.

HUMBER COLLEGE RETIREES' ASSOCIATION

Our Association

Members benefit by having a voice and representation in helping to develop a common position on issues of interest to college retirees especially as they relate to pensions and health benefits. We organize social activities and provide opportunities for colleagues to meet. We donate to Awards and Bursaries as part of our annual giving to assist students. We offer mature learning series of courses for retirees and have recently initiated travel opportunities.

In addition to these activities, we have been able to arrange with the College for HCRA members to access with their membership cards:

- Library privileges.
- Free access to the Humber North Guest Parking Lot.
- Free access to the Athletic Centre, including the gym but not their parking lot.
- Free use of the pool.
- Free attendance at the President's lecture series.
- Free hard copies of the spring and fall issues of the Association's newsletter to paid members who do not have an email address. The newsletter keeps you up to date on retirement happenings.
- Reduced rates for many Continuing Education classes.
- Nominal rates for many other College social and current event functions e.g. the Library Speaker's Series and the Stratford trips.
- Access to the Retirees' website.
- We keep members current, through:
 - Our website, which highlights the activities of the Association.
 - Emails with notifications of important or new events.

Our History

November 1999: Fourteen Humber Retirees representing faculty, support and administration met to discuss the possibility of forming a Humber Retirees' Association. A working group was formed.

January 2000: Bill Totten, President of St. Clair Retirees' Association made a presentation regarding the establishment of a viable retirees' organization. At this time there were only two active retirees' associations in the community college system - Mohawk College and St. Clair College.

June 2000: With the assistance of President Robert Gordon and his associate Doris Tallon, the Humber College Retiree's Association came into being.

The first Directors of the Association were: Michael Lancelotte & Don Wheeler (Co-chairs) Dave Darker, Maureen Buck, Pat Scrase, Shirley Harrison, Pat Stocks, Carol McCanse, Grace Allen, Joan Dancy, Doreen Farrell, Larry Holmes, Adrian Adamson, Doris Tallon, John Garyfalakis, Barbara McGregor, Blair Boulanger, Bill Cuning, Joan Rennie and Eleanor Matthews.
